URBAN Monkeys
play & sport grounds

PLAY & SPORT GROUNDS PRODUCTION

OUR MAIN GOAL?

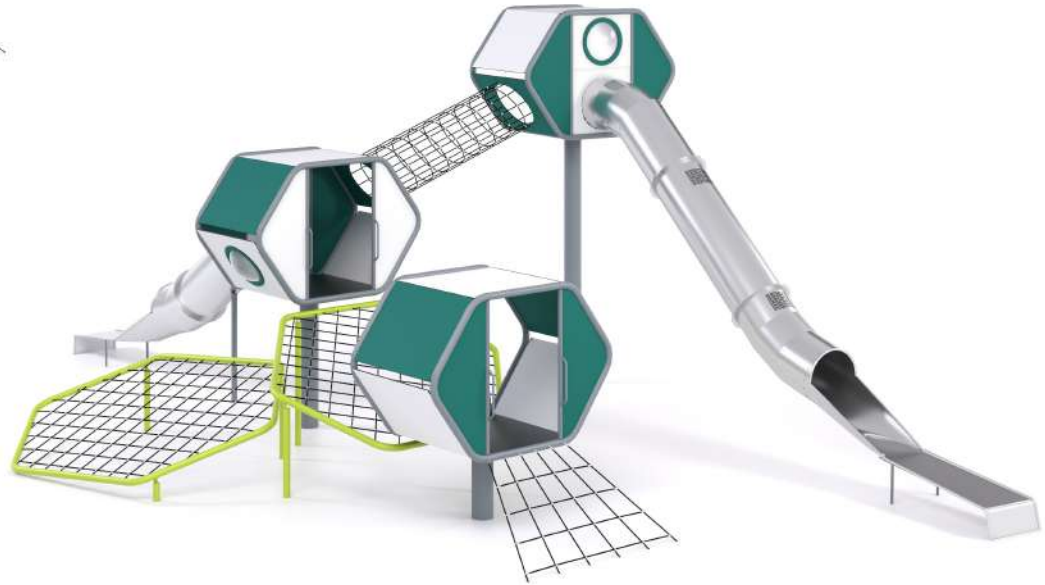
URBAN Monkeys has started this direction **to change this industry**. We have a lot of ideas and plans for the development of future playgrounds that will be interactive and breathtaking.

We create not just playgrounds, but play spaces that attract both children and adults!

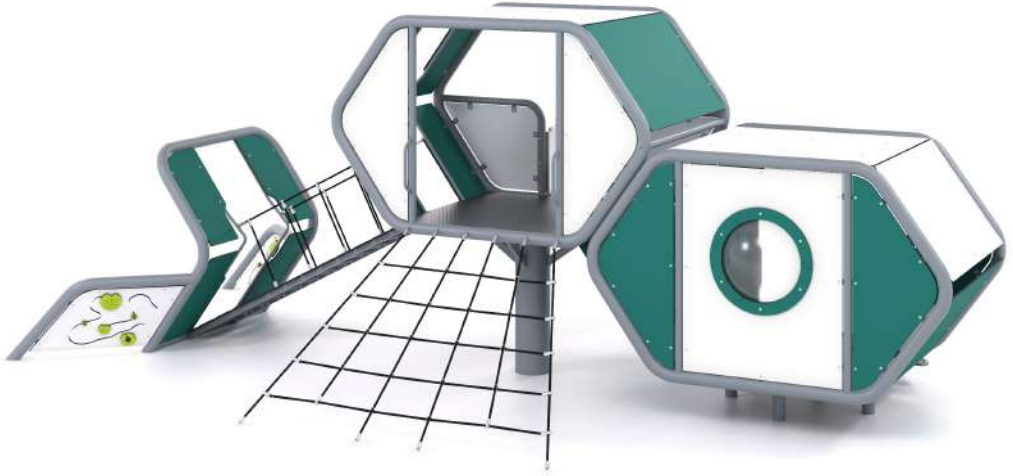
And thanks to production in Ukraine all our products are high quality and price competitive!

OUR PRODUCTS

Newline - HEXA



Newline - HEXA



Ground trampolines

- The trampoline canvas glows during the jumps!
(without batteries and additional power supplies)
- The canvas is very dense and there are no holes where objects fall out of the pockets

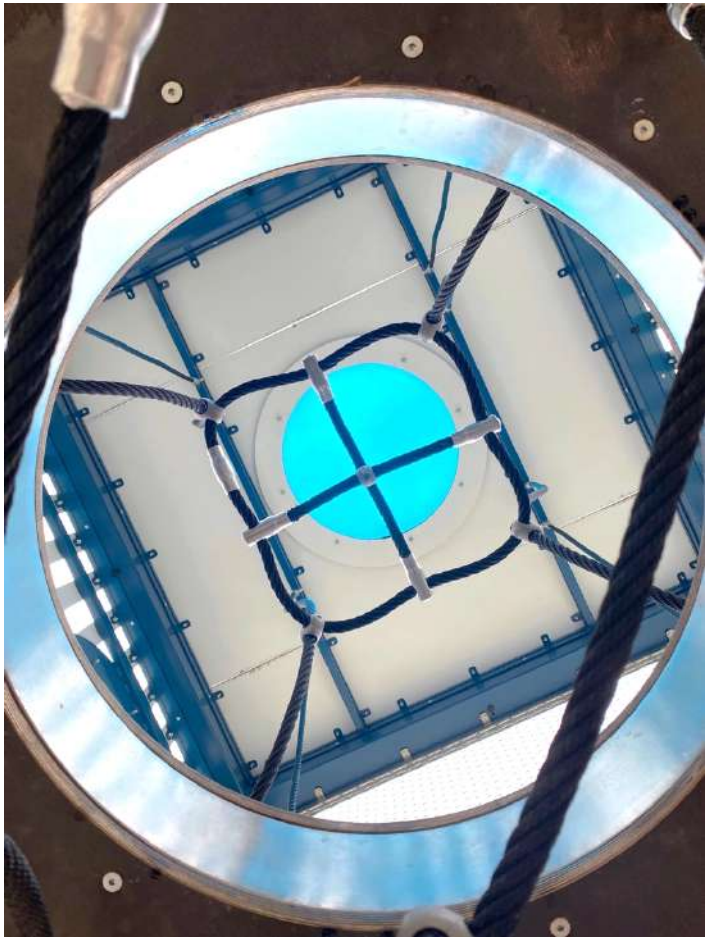
Bespoke solutions

If our customers have ambitions to build significant projects, the **URBAN Monkeys** team is ready to implement them!

Together with our team of architects and designers we will take part in such projects, we will develop and make it.

Bespoke solutions



Landscape elements

Working with the **geoplastics and landscape elements**,
we are making **unique** projects!
